Five Reasons Why Nigeria's Next Economic Recession Will Be Worse Than Ever

Wilson Erumebor

Senior Economist & Manager at The Nigerian Economic Summit Group | PhD Researcher at SOAS, University of London.

London, England, United Kingdom

Summary

Wilson Erumebor is a Senior Economist at the Nigerian Economic Summit Group. He has over a decade of experience in research, policy advocacy and economic development. His research interests cover macroeconomics, fiscal and monetary policies, industry research and economic and social inclusion. Wilson serves as the lead for several high-level research and advocacy projects including the NESG Macroeconomic Outlook outlook project, the NESG-OSIWA Debt Management Roundtable project on debt sustainability in ECOWAS and the Nigeria in 2050 Scenarios project.

Wilson has been part of several high-level Committees including the Technical Committee of the Nigerian Economic Summits and the Macroeconomics Team that provided technical expertise to the Federal Government on the Medium Term Development Plan 2021 - 2025 and the proposed Long-Term Vision 2050 for Nigeria. Wilson has consulted for many reputable organisations including UK's DFID; Imara Africa, Phillips Consulting Limited, Fate Foundation, among others. He is a recipient of the Award on Distinctive Leadership and Reform Initiatives in Economic and Policy Development in Nigeria and was among the first cohort of the Global Scholars programme at the US-based Academics Stand Against Poverty (ASAP). He is a member of the Royal Economic Society, London, UK and a senior research fellow at The FATE Institute.

He is currently a PhD researcher at SOAS, University of London, working on Structural Transformation and Economic Inclusion of African economies with a specific focus on Nigeria.

Experience

The Nigerian Economic Summit Group (NESG)

Senior Economist

March 2013 - Present (9 years 9 months)

Ikoyi, Lagos

- Manage research process and outputs, from ideas conceptualisation to report dissemination and advocacy engagements.
- Lead a team of experienced economists in the preparation of macroeconomic reports, monetary policy updates and other research outputs for NESG stakeholders.
- Served as the Lead Researcher, NESG-OSIWA Debt Management Roundtable, which aims to address the challenge of Debt Sustainability in ECOWAS.
